Option #1- Recipe Book

- Create a recipe book of some of the popular or traditional foods from your country.
- You need to include between 8-10 full recipes with directions on how to make the food item.
- Each recipe needs to have a picture that shows the food (hand-drawn or printed on your own)
- Pictures need to have color.
- The recipe book needs to have a cover page.
- The back page should include a citation of the websites you found your information (no need to cite where you got pictures)
- You can get even more extra credit if you bring in some food from your country!

Option #2- Historical Report

- Create a slideshow of the history of your country.
- Slideshows should include 8-10 major historical events that have happened in your country’s past.
- Each slide should have a title of the event, an image, in color, of the event.
- Each event should have a brief description of the event.
- The last slide should include a citation of the websites you found your information (no need to cite where you got pictures).

Option #3- Tour of Interesting Places

- Create a slideshow of the most interesting places found in your country.
- Slideshows should include 8-10 places of interest. These can be things like popular tourist sites, historical monuments, or geographic landforms that are unique to your country.
- Each slide should have a title of the place, an image, in color, of the place.
- Each place should have a brief description to accompany the rest of the information.
- The last slide should include a citation of the websites you found your information (no need to cite where you got pictures).
Option #4 - A Physical Map

- Create a hand-drawn map of the physical features of your country.
- Maps should include boundaries, any oceans, lakes, rivers, mountains, hills, valleys, volcanoes, plateaus, deserts, grasslands, etc.
- Each feature should have a label.
- Maps will be drawn on a 8x10 piece of white printer paper.
- Maps must be colored and include a key of the physical features found on the map.

Option #5 Famous People

- Create a slideshow of the famous people from your country.
- Slideshows should include 8-10 famous people. These can be actors, musicians, sports players, politicians historical figures and others from your country.
- Each slide should have a title of the place, an image, in color, of the person.
- Each slide should have a brief description explaining the accomplishments of that person.
- The last slide should include a citation of the websites you found your information (no need to cite where you got pictures).

Option #6 - Fashion Magazine

- Create a magazine of the different fashion styles found in your country.
- Your magazine must be between 8-10 pages.
- You should include fashion today, traditional dress as well as how people dress for holidays in your country.
- Each magazine page should highlight one fashion(outfit) and have a brief explanation of the fashion type.
- Pages must have an colored image. Images may be hand drawn or printed (but these must be color).
- The last page should include a citation of the websites you found your information.
- To receive a bit more extra credit you can dress in the fashion of your country for your report!
