World Cultures Fair

You will be creating a project that depicts a certain culture/country around the world. At the end of the project you will be presenting the culture of the country assigned to you to another class. Your project and presentation will be your final grade for this class so be sure you put in your best effort! Your projects will need to show a country’s culture in words as well as in pictures. Two very helpful websites to use in your research are:

1. The CIA World Factbook  
   When using this site you will need to choose your country from the pull-down menu located under the picture of a book on the main page.

2. Country Reports [https://www.countryreports.org/](https://www.countryreports.org/)  
   You will need to select “Select a Country” from the bottom of the screen and first select the continent or region your country is located. After you have selected the country or region you will need to select your country from the list that appears.
You will need to first complete two research guides that will be posted on my website bit.ly/mrsmccormick under Unit 12 Culture.

Your projects will be graded on the following criteria:

1. Country Name  
2. Government Type  
3. Country Economy  
4. People/Family Life  
5. Food  
6. Traditions/Customs  
7. Religion  
8. Color/Neatness/Images  
9. Grammar/Writing
